Indiana County Moving to Green Phase on Friday, June 5

Governor Wolf on Friday announced that Indiana County will join 15 other counties in moving to the Green Phase of Reopening Pennsylvania on Friday, June 5. An overview of the Green Phase is listed below. If you have any questions about the reopening or how this may impact your business, please contact the Chamber Office.

INDIANA COUNTY GREEN PHASE OF REOPENING

- Suspends all previous stay-at-home orders and replaces them with the new green phase order effective at 12:01 a.m.
- The order includes provisions for businesses that were permitted conduct in-person operations in the yellow phase, those permitted to operate with some restrictions on in-person operations and those that were not permitted any in-person operations under the yellow phase.
- The order also includes guidance on occupancy limits and health and safety orders that business must adhere to under the green phase.
- Specifics are included on those areas that have raised questions from business owners and residents, including:
 - Personal care services, including hair salons and barber shops must operate by appointment only; appointments or reservations are also strongly encouraged for gyms or spas.
 - Any gathering for a planned or spontaneous event of greater than 250 individuals is prohibited. This includes, but is not limited to, a concert, festival, fair, conference, sporting event, movie showing, or theater performance.
 - Churches, synagogues, temples, mosques and other places of congregational worship are specifically excluded from the limitations established by the order. These institutions are strongly encouraged to enforce social distancing and other mitigation measures such as masking at their gatherings.

- Visitation to prisons and hospitals may resume subject to the discretion of the facility. Visitors who interact with residents and patients must be diligent regarding hygiene. Given the critical importance of limiting COVID-19 exposure in nursing homes, nursing home visitation restrictions will initially remain in place.

Work and congregate setting restrictions

- Continued telework strongly encouraged
- Businesses with in-person operations must follow updated business and building safety requirements
- All businesses operating at 50% occupancy in the yellow phase may increase to 75% occupancy
- Child care may open complying with guidance
- Congregate care restrictions in place
- Prison and hospital restrictions determined by individual facilities
- Schools subject to CDC and commonwealth guidance

Social Restrictions

- Any gathering for a planned or spontaneous event of greater than 250 individuals is prohibited.
- Places of worship are excluded from the limitations that are established by the order, but are encouraged to enforce social distancing and other measures such as wearing masks.
- Restaurants and bars open at 50% occupancy
- Personal care services (including hair salons and barber shops) open at 50% occupancy and by appointment only
- Indoor recreation, health and wellness facilities, and personal care services (such as gyms and spas) open at 50% occupancy with appointments strongly encouraged
- All entertainment (such as casinos, theaters and shopping malls) open at 50% occupancy
- Construction activity may return to full capacity with continued implementation of protocols
- All businesses must follow CDC and DOH (Department of Health) guidance for social distancing and cleaning
- Monitor public health indicators, adjust orders and restrictions as necessary
