

Hospitality Assistance Response of Pennsylvania (HARP) will reopen its grant application for a second round at 12:01 AM on Wednesday, December 9. PA residents who worked in the hospitality industry in 2020 and have experienced a decrease in wages or loss of job on or after March 16th are eligible to apply for a one-time \$250 grant. HARP will accept the first 500 completed, eligible applications in this round.

If you know of any frontline PA hospitality workers who didn't already receive a HARP grant, please forward them this information. For more info and to apply, visit www.parelief.org.
