

WHO WE ARE

Camp Orenda is a summer health camp for people with disabilities seeking empowerment, community, and a fun-filled start to the summer.

Camp runs a total of **three different sessions**, each one week in length. Each session hosts up to 30 people.

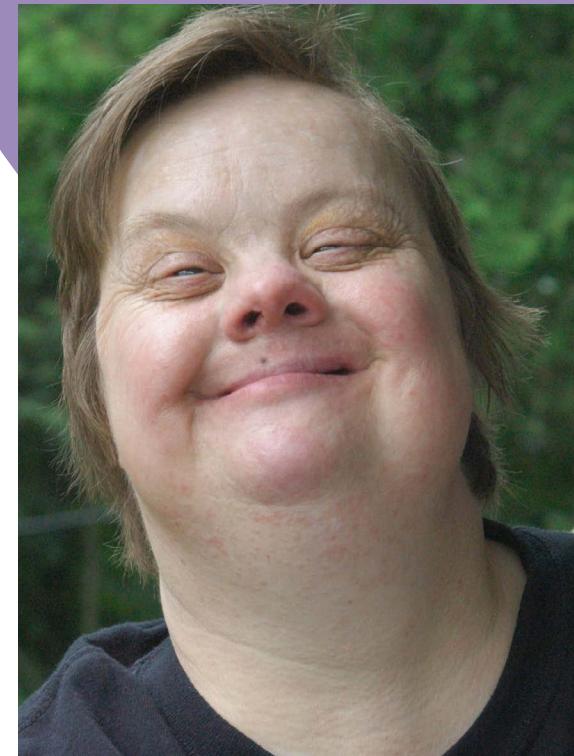

We receive outreach every year **from families and group homes** who have heard wonderful stories and testimonials about the Camp Orenda experience and want their own loved ones and residents to take part.

The need for a recreational health camp like ours **has grown beyond our expectations** and hosting is an honor.

Camp is a home away from home and a time that is treasured and anticipated throughout the year by counselors and campers alike!

THANK YOU

Camp Orenda would not be possible without people like you and donations from organizations like **The United Way of Indiana County, A.B.A.T.E. of Indiana County, and The Indiana Lions Club.**
