

## INDIANA COUNTY LEGACY PROJECT

### Proudly Honoring Our Veterans

The Indiana County Veteran Providers Group, in partnership with the Indiana County Technology Center and Indiana County Historical Society, places a high priority on honoring and remembering the men and women who served their country. The mission of the Legacy Project is to collect and preserve the personal accounts of our Veterans. Future generations must hear directly from Veterans to better understand the sacrifices and the realities of war. No one can tell the stories of the men and women better than they can, and we believe that their sacrifices, humanity and experiences are best recorded in their own words. If you are a Veteran or know of a Veteran that would like to take part in the Indiana County Legacy Project, please contact us by email at [doverman@indianacountypa.gov](mailto:doverman@indianacountypa.gov) or leave a brief message at 724-471-7726.
